The Giant Scarf Project

· 2024 ·

Starter Guide

What is the Giant Scarf Project?

The Giant Scarf project is a community focused initiative, inviting individuals and community groups across Preston to knit strips of a scarf in the colours of Preston North End FC. These individual strips will then be joined together to create one giant scarf. The scarf will be a physical representation of Preston's diverse community.

How to get involved

Collect a starter pack with everything you need from one of our knitting hubs across Preston (listed on the back). Then follow the instructions, and happy knitting!

Don't forget to drop your strip back off at one of our knitting hubs! The Giant Scarf Project is running until Spring 2025, so keep an eye on our social medias for the drop off deadlines.

Can a complete beginner get involved?

Absolutely! This project is designed for everyone to get involved, from experienced knitters to complete beginners, of all ages.

If you're a complete beginner, follow the guide in the knitting pack for guidance.

We'll also be holding drop-in sessions in city centre locations. (Keep an eye on both PNECET's and the National Football Museum's social media pages to see when and where these will be!)

Get creative!

Want to knit more than one strip? Great! Want to add a design which represents yourself or your group? Even better! As long as your strips meet the size requirements, be as creative as you like.

Got the knitting bug?

If you catch the knitting bug and want to make a regular-sized scarf of any colour, please do so! As part of the project we will be collecting these additional scarves for the Foxton Centre who will distribute them to those in need.

Collaboration

This project is a collaboration between the National Football Museum and Preston North End Community and Education Trust.

National Football Museum

The National Football Museum exists to house and harness the power of football, to share stories that influence, to showcase culture and involve and motivate people to creatively engage. It's the place to experience football in all its glory. It's the place to experience why Football Matters. For anyone. For everyone.

Preston is deep-rooted in the museum's history, with its origins being at Deepdale Stadium before its move to the Urbis building in Manchester in 2010. Preston is still the home to the National Football Museum's Archive & Research centre and is dedicated to providing an outreach and community programme to Preston and its community.

To find out more, please contact communities@nationalfootballmuseum.com.

Preston North End Community and Education Trust

We are Preston North End Community and Education Trust, the official charity (Registered Charity No. 1130773) of Preston North End Football Club.

We employ over 40 full-time staff to deliver the life enhancing work of the charity. Utilising the power of Preston North End Football Club, we address the needs of our community through:

- Health and Wellbeing support
- Providing opportunities through accessible education
- Connecting the community through positive engagement.

This project is part of our Lottery Heritage-funded *Invincibles* project. *Invincibles* is a 3-year heritage project which uses the early history of Preston North End FC to engage the community in positive ways, to empower people and make heritage accessible to all.

To learn more about our project or to get involved, please contact Michael Barrett, Heritage Co-ordinator, at michael.barrett@pne.com.
